Step1: CCN Admission Application

All CCN students must be admitted through the online CCN Admission Application. If you have already completed the CCN Admission Application, go directly to Step 2: Registration.

1. First you will need to complete Step 1-Admission Application go.chemeketa.edu/collegecreditnow

Get a Head Start with College Credit Now

Earn Chemeketa Community College credits while taking classes in the comfort of your own high school.

Why College Credit Now is a Good Idea

College Credit Now provides high school students with an opportunity to earn Chemeketa Community College credits while still in high school. Courses are taught at the high school by qualified instructors, and you can enroll in as many College Credit Now courses as you want for \$25 per year.

For more information about the courses available through your high school contact your high school counselor or CCN advisors.

In 2017-2018, the CCN program registered 3,620 students who earned 26,656 Chemeketa college credits. This was a savings to the students and their families of \$2,575,100.

You can find more detailed information in our Annual Report 2017-18.

Signing up for a CCN course is a two-step process. All College Credit Now students must complete these steps, even if a student has already completed a non college credit now Chemeketa course.

Printable instructions are available CCN Steps to Enroll

Step 1 – Admission application

All CCN students must be admitted through the online CCN admission application. By doing so, you will be given a program code that will allow you to register for a CCN course. If you have already completed the CCN admission application, go directly to Step 2 – Registration.

Apply online by clicking here 🖌

2. You will be directed to the CCN Application and will see the screen shown below. Verify that you select the correct term you are planning to register for. Once you have entered the correct information, click continue.
